

San Diego Self Storage Launches Collection Drive To Benefit Homefront San Diego

In honor of the military, San Diego Self Storage (SDSS) launched a collection drive to benefit Homefront San Diego, a non-profit organization that provides active military families with ongoing needs in San Diego County.

The collection was conducted June 1 through June 30, 2011 by all 16 SDSS self storage San Diego facilities in the following communities: Carlsbad; Carmel Valley; East Lake; Encinitas; Golden Triangle; Jamacha Point; La Jolla; Mira Mesa; National City; North County (Escondido); Temecula; Olivenhain; Otay Crossing; Otay Mesa; Poway; Solana Beach; Sorrento Mesa and Sorrento Valley.

The public was invited to participate by dropping off items which are in constant need by military families: gently used furniture (dining tables and chairs, end tables, dressers, lamps); baby items (new packages of diapers and baby wipes, baby shampoo and lotion, gently used children's clothing, cribs and mattresses, new car seats); gift cards (grocery cards in any denomination, gas cards for active military personnel who need to drive themselves or their children to medical appointments).

According to Steven Teixeira, SDSS director of property management, "It came to our attention that there are an increasing number of military personnel who have been relocated to San Diego from active duty and have immediate needs that cannot be filled through traditional military channels. It's our goal to help fulfill those needs by providing easy access to drop-off points throughout the county. We welcome participation from the general public to donate items as large as furniture to as small as bottles of baby shampoo." The public could drop off items at all 16 SDSS locations throughout the month of June, Monday through Saturday from 8:00 AM to 6:00 PM and 8:00 AM to 4:00 PM on Sundays.

Founded in 1972, San Diego Self Storage is one of the largest self storage providers in San Diego County with a network of 16 neighborhood self storage facilities and additional facilities in Los Angeles and Orange County. They offer storage rental discounts to active military personnel and their families in direct response to their dedicated service. (WWW.SANDIEGOSELFSTORAGE.COM)
